Pune, Maharashtra

Objective

Full Stack Developer with experience building scalable web applications using React.js and Spring Boot. Skilled in designing RESTful APIs, implementing secure authentication, and integrating MySQL and MongoDB. Strong problem-solving mindset with experience in debugging and performance optimization.

Education

- **Savitribai Phule Pune University** 2025
B.E. Electronics and Telecommunication
- **MSBTE** 2022
Diploma in Information Technology

Technical Skills

- **Languages:** Java, SQL, JavaScript
- **Backend Development:** J2EE, OOP, Collections, Spring Boot, Spring Security, Hibernate, RESTful APIs
- **Frontend Development:** React.js, HTML5, CSS3, TypeScript
- **Databases:** MySQL, PostgreSQL, MongoDB
- **Tools & Technologies:** Git, GitHub, Postman, Docker
- **Concepts:** SDLC, Data Structures, Algorithms, DBMS, MVC Architecture

Projects

- **Developer Portfolio Platform** | [Live](#) | [GitHub](#)
React.js, Spring Boot, MySQL, Cloudinary, Railway, Vercel
 - Developed a scalable full-stack portfolio application using React.js and Spring Boot with RESTful APIs.
 - Implemented secure authentication and authorization using Spring Security to protect user data.
 - Integrated MySQL with optimized queries to improve performance and ensure efficient data retrieval.
 - Deployed application using Railway and Vercel, resolving API integration and cross-origin issues.
- **RBAC Product Management System** | [GitHub](#)
React.js, TypeScript, Spring Boot, MySQL, JWT, REST APIs
 - Implemented a full-stack product management system with RBAC to ensure secure access for users and administrators.
 - Built RESTful APIs using Spring Boot to handle authentication, product management, and role-based authorization.
 - Implemented JWT-based authentication and integrated MySQL database for secure data persistence.
 - Developed responsive frontend interfaces using React.js and TypeScript with role-based access to application features.

Training

- **Cyber Success Training Center** 2025
Java Full Stack Developer Trainee
 - Completed full stack training covering Core Java, OOP, Spring Boot, RESTful web services, and database integration.

Certifications

- Core Java Programming Certification (2024)
- Web Development Certification – HTML, CSS, JavaScript
- SIM Activation Backend Application Development Certificate (2025)

Languages

- English, Hindi, Marathi
